Sir,

I have the honour to state that according to the last sentence of para 20 of Government Order No. 6-105-CRB. 1-34-1 dated 3-7-34, the appointing Officer should duly - verify, if necessary, by examining the certificates, the educational qualification of the candidate selected before he is actually appointed to a post. This seems to be a - hardship in some cases where the candidate can directly join duty in the office to which he is posted instead of going over to this office merely for the purpose of getting the qualification verified. I request therefore, that the Board might relax the abovesaid rule by permitting the local - officers to whose office the candidates are posted to examine the certificates before taking them (candidates) on duty and to report the fact to the appointing officer.

Submitted.

I have the honour to be,
Sir,
Your most obedient servant,

It is not the intention of the above Rule that the appointing officer himself should examine the certificates. This power can as well be delegated to the subordinate local officer by a direction in the order of appointment.

There is therefore no need for issue of any order relaxing the above Rule.

A draft pointing the above is put up for appl or other orders.
